Submitted to the Secretary, Board of Revenue, Land Revenue and Settlement, Madras with the replies of the Treasury Deputy Collector in duplicate and the following remarks:

Section I. The practice of making payments of tasdik allowances to the Managing trustees in cases where it is not disputed by the other trustees may be considered to be in order.

Section II. The Treasury Deputy Collector's action is approved. In regard to institution No. 743, it is noticed that the amount of Rs. 15/- shown in column 4 of the Inam register is an obvious clerical error for Rs. 16/- as will be evident from the figures shown in the subsequent columns and also from the total struck at the end of the page. The fact may be verified with the entries in the register maintained in the Board's office and orders issued to correct the registers in this office.

M. 11-12-6

Ref. From the Board of Revenue, Ref. I.No.2520/39-2 dated 7-7-1939.

****

In the year 1915, the allowance was transferred to the system of cash payment by means of beriz deductions. While giving effect to this transfer the Tahsildar went wrong in working out the amount payable under the new system. Before transfer to the beriz deduction system, the allowance for which lands were assigned was Rs.17-10-0 (Rs.17-9-7 rounded off). This amount was made up of Rs.16-0-0, the cash allowance originally fixed, and the addition of 10% thereon granted to meet the vicissitudes of season and expenses of management when lands were assigned in lieu of cash payment. When cash payment was again reverted to, the addition of 10% should have been deducted from the gross amount and the net amount of Rs.16-0-0 paid. But instead, the Tahsildar wrongly deducted 10% of the gross amount of Rs.17-10-0 and paid Rs.15-13-10. (Rs.17-10-0 minus Rs.1-12-2).

2. The printed list of cash allowances annexed to G.O. No. 2065 Revenue, dated 19-10-1929 was apparently based on the list submitted from this office in reply to Board's Ref. B.2004-26-2 dated 1-6-1926. The footnote that "Rs.15-13-10 is now paid after deducting 10% etc." was inserted on the basis of the Tahsildar's report. For the reasons stated above, the footnote is a mistake and may be deleted.

The allowance payable to the institution is Rs. 16/- with an additional allowance at 10 per cent Viz. Rs. 1-9-7 thus making a total of Rs. 17-9-7 or Rs. 17-10-0 which is the 'Jarow Beriz'. The Collector has reported that the amounts shown under 'Jarow Beriz' were allowed by assignment of revenue to the institutions concerned and that in converting the payments under the Beriz deduction system the additional allowance of 10 per cent shown in Col. 3 of the I R has to be deducted and only the actual tasdik allowance shown in Col. 2 paid. But in the footnote at page 77 of the list relating to South Kanara in G.O. No. 2065 Rev. dated 9-10-29, it is stated that a sum of Rs. 15-13-10 is now paid to this institution after deducting 10 per cent on Rs. 17-9-7 which is the grant originally assigned. From this it appears that the 10 per cent allowance was calculated on the 'Jarow Beriz' The Collector has however stated that apparently the 10 per cent deduction was
